Aikido for Age 7 to 10

Classes for ages 7-10 years old will be structured around development of balance, coordination and awareness of self. We endeavor to help them learn about their strengths both physically and mentally. Exercises and games will teach them team effort, conflict resolution and appropriate use of power through Aikido techniques.

Aikido for Age 11 and up

The classes for ages 11 years old and up offer training at a more advanced skill level. These classes are geared towards entrance to the adult program.
